

MUSE - Museo delle Scienze is the lead partner of the FabLabNet project, approved for financing under the Interreg CENTRAL EUROPE Programme (eligible period 1st July 2016 – 30 June 2019). In order to fulfil the general management and the implementation of this project, MUSE intends to hire an external consultant to support its staff throughout the project life, in order to guarantee high quality of the deliverables and perfect execution of the tasks within the budget approved.

The required consultancy is aimed at supporting MUSE staff in the organization and fulfilment of the tasks necessary to roll out and to implement the CE funded FabLabNet project.

MUSE therefore invites everyone who might be interested to present their best offer for the execution of the consultancy, that will include the tasks specified in the document named “AVVISO” and in its annex 2 “DISCIPLINARE”.

Please note that all documents are written in Italian, while the offer shall be written in English.

Offers shall be received until **5th December 2016 at 12 am CET**.
