

# MUSE internal parking regulation

Corso del Lavoro e della Scienza 3, 38122 Trento

## 1. HOW TO ACCESS

To gain access to the car park, users must either collect the entry ticket at the entry kiosk or hold a season ticket. These documents authorise parking in one of the designated spaces according to the rates and regulations displayed at the entrance.

## 2. PARKING HOURS

The car park normally opens at 08:00 a.m. and closes one hour after the closing time of exhibition halls. During evening events, closing time is at the end of the event. Parking hours are displayed and clearly visible at the car park entrance. Cars in the car park after this time must be authorised. It will not be possible to collect any vehicles left in the car park after closing time.

## 3. PARKING FEES

Parking fees are set pursuant to resolution of the Board of Directors No. 38 of 28 November 2013, as amended. The applicable fee is € 2.00/hour or fraction of an hour.

## 4. RESPONSIBILITY

The operator provides users with parking slots, but does not provide any security service. Therefore, it shall in no case be held liable for theft and/or damage caused by car park users or by third parties or due to vandalism. The operator shall also not be liable for goods, valuables or any other items left inside the vehicles, even if locked.

## 5. DAMAGE CAUSED TO THIRD PARTIES

Parking of the vehicle shall be the responsibility of the user, who shall be liable for any damage caused by him/her to vehicles and property in the car park.

## 6. LPG VEHICLES

It is forbidden to bring in vehicles with an LPG-powered engine or which transport goods, materials or flammable substances that are in any way hazardous.

## 7. RESERVED PLACES

It is forbidden for unauthorised people to park vehicles in parking spaces specifically designated and reserved for the disabled and pregnant women. Users showing a parking card for the disabled at the ticket office on the ground floor, in accordance with Article 381 of the CdS Implementing Regulation, shall be entitled to free parking.

## 8. PAYMENT

To collect your vehicle, you must first pay at the automatic pay station located on level -2, using your entry ticket. The MUSE car park's automatic pay station only accepts electronic payments: cash payments are not accepted. Users with a prepaid magnetic card (subscription) can exit by placing the card close to the terminal. It is not necessary to use the entry ticket or go to the automatic pay station.

## 9. EXIT TIME

Cars must leave the car park within 15 minutes of payment.

## 10. PARKING GRACE PERIOD

Once the entry ticket has been collected at the entry column, the user has 10 minutes to leave the car park without paying.

## 11. REMOVAL OF VEHICLE

Cars can be moved for service-related needs. Vehicles parked outside the parking spaces may be removed at the user's expense and risk.

## 12. SERVICE INTERRUPTION RIGHT

The operator reserves the right to interrupt the daily service due to maintenance, cleaning, roads closed for events, etc. with advance notice displayed at the entrance. Interruptions shall not terminate the existing relationship and shall not give rise to financial claims.

## 13. KNOWLEDGE OF REGULATIONS

When parking the vehicle, the user acknowledges having read and accepted the rules set out in these regulations and the fees displayed at the entrance.
